30<sup>th</sup> October 2023

Dear Parents/Carers,

Your child has been selected to attend a More Able Maths Workshop at The Mawney Foundation School, 8 Mawney Road, Romford, Essex, RM7 7HR. This workshop is a fantastic opportunity for pupils to develop their problem-solving skills.

The More Able Maths Workshop will take place on **Wednesday 1<sup>st</sup> November** with a maths specialist: Pete Hall. Pete's passion is to help children achieve high standards and develop mathematical thinking through problem solving.

The pupils will take part in a number of workshops, which include a range of challenges that will allow the children to use and apply the skills they have learned, as well as gaining a love for maths!

The children will need to be dropped off at The Mawney Foundation School by 9:20am and collected at approximately 2:45pm. The member of Parklands staff attending the event will meet the children there.

**Your child will need to bring a nut free packed lunch and a water bottle with them to the event.**

Please complete the slip below and return it to the school office, as soon as possible.

Yours sincerely,

Mrs L Farrow

**Deputy Headteacher**
