Dear Parents / Carers,

As part of their geography curriculum, year 4 will be visiting **Rainham Marshes** on Wednesday 22<sup>nd</sup> May for 4SS and 4DD and Thursday 23<sup>rd</sup> May for 4KM and 4GS.

During their visit, the children will have the opportunity to explore the River Thames, comparing it with the classic river model which they have been learning about in geography lessons. Children will be able to identify the key features that can be observed, such as areas of erosion and deposition. There will also be an opportunity for children to draw and label a field sketch of physical and human features and to take measurements or record plants/animals along the way. This trip is an exciting opportunity for the children, as it will give them fieldwork experience that cannot be replicated in the classroom.

**The cost of this visit will be £10 to cover the cost of activities at Rainham Marshes and the coach.** It is important that we receive enough contributions so that the trip can go ahead, please book and pay for the trip via your child's sQuid account.

On the day, children will need to ensure they arrive promptly at school for **8.45am and all children will need to bring a packed lunch on this day** to be eaten at the venue.

**Children will need to wear school uniform but please ensure that your child is dressed appropriately for outdoor activities:**

- Long trousers rather than a skirt or shorts.
- If it is likely to be wet weather, or has rained heavily in recent days, they will need waterproof shoes or wellies and a waterproof coat.
- If it's hot, hat and sunscreen are important as they will be spending a lot of time outdoors.
- A water bottle.

Please complete and return the form below by Friday, 17<sup>th</sup> June 2024.

Yours sincerely,  
Year 4 Teachers
